Tutor Reactivation Begins

September marks the start of our Tutor Reactivation Campaign. We invite any former Literacy Solutions' tutors to return to volunteering for literacy once again. We are seeking tutors who can give one hour of their time, weekly, at a Rockland County library of their choosing.

Our current students have need in the following areas:

- *English as a Second Language*
- *Tutoring for the Citizenship test*
- *Beginning Literacy for Native English speakers*
- *Small Conversation Groups*

If you or a friend might like to return to being an active tutor, please let us know. Or, if you are working with a student and feel you can take on another, we have some wonderfully motivated students looking to improve their English as soon as possible! Your time will make a tremendous difference!

Tutor Tip!

A sight word is a word that the student can not sound out (decode). The student must memorize the word.
